

§ 748.8

PIN holder. Electronic submission of a license application will be considered complete upon the transmittal of the application to BIS or to an entity under contract to receive such applications for BIS.

(c) *Maintenance of a log.* Your company must maintain a log, either manually or electronically, specifying the date and time of each electronic submission, the ECCNs of items on each electronic submission, and the name of the employee or agent submitting the license application. This log may not be altered. Written corrections must be made in a manner that does not erase or cover original entries. If the log is maintained electronically, corrections may only be made as notations.

(d) *Updating.* An applicant company must promptly notify BIS of any change in its name or address. If your company wishes to have an individual added as a PIN holder, your company must advise BIS and follow the instructions provided by BIS. Your company should conduct periodic reviews to ensure that PINs are held only by individuals whose current responsibilities make it necessary and appropriate that they act for the company in this capacity.

§ 748.8 Unique license application requirements.

In addition to the instructions contained in Supplement No. 1 to this part 748, you must also ensure that the additional requirements for certain items or types of transactions described in this section are addressed in your license application. See Supplement No. 2 to this part 748 if your application involves:

- (a) Chemicals, medicinals, and pharmaceuticals.
- (b) Communications intercepting devices.
- (c) Digital computers, telecommunications, and related equipment.
- (d) Gift parcels; consolidated in a single shipment.
- (e) Intransit shipments through the United States.
- (f) Intransit shipments outside of the United States.
- (g) Nuclear Nonproliferation items and end-uses.
